Members Present Connie Ohman, Chris Blair, Deborah Mielke, Richard Nault, David Dempsey

RDA Howard Lefkowitz. Sachman Way on Lake Buel. The Chair read the Notice of Public Meeting. They plan to add a 10' by 20'8" addition to the north end of the dwelling. Howard Lefkowitz presented the project. It is over 200' away from Lake Buel but it is in the buffer zone of a wetland. The land is very flat therefore erosion would not be a problem. There are houses between their house and the lake. The method of construction is a masonry foundation and a wood frame addition. Connie Ohman had inspected the property for the project that was done in the fall of '98. Determination N3
